

#402. *The Modern Corner Church*

Is there a Christian assembly where a thirsting Soul can go to be refreshed in singing praises to the Lord, be directed or corrected, come away knowing you heard from God.

To my knowledge the local churches have changed their format to conform to the demonic doctrine of POLITICAL CORRECTNESS (you can't say anything that MAY offend someone).

Back in the 1960s & 70s the local churches were going through the choice of allowing Rock-n-Roll music, the word that Satan was spreading was, YOU HAVE TO CONFORM TO KEEP THE YOUNG PEOPLE.

Well They Bought into this LIE and many churches now you can't tell the difference between a Rock Consort and their music, it's all Hype, and the louder the music, the more spiritual they are.

Now not all have went this way, but change they did. They no longer have hymnals to sing out of, whereas most of these songs were written to PRAISE GOD.

Psalm 68:32 Sing unto God, ye kingdoms of the earth; O sing praises unto the Lord;

Instead, they use modern songs with words that say bless God and Holy, Holy and they are repeated several times, depending on the leader BUT they DO NOT bring the congregation into openly praise God. Repeating a phrase, even tho it says Holy, Holy, does not make you enter in to worship.

You see, it is not what or how many times you do it, it's how it opens the door of your heart to God, that makes it praise. Because you repeat and repeat the words of a popular (song) phrase, I WANT TO SEE YOU, I WANT TO FEEL YOU... don't mean your heart is in agreement.

[Isaiah 9:16](#)

For **the leaders** of this people **cause them** to err; and **they that are** led of **them are** destroyed. If you are LED BY and TRUST the Holy Spirit, you will not lead people astray !!!

I went to a different church this morning and it turned out to be just another religious gathering. (I call it a Pharisee meeting) You know, by works are ye saved, sing 14 choruses over and over and never change the tune. Then after an hour of this, everybody stops and has coffee and pastry, half the people leave and a fellow stands up and says that he is giving the message. (just another story) After 3/4 of an hour, I get so bored that I LEAVE.

In the service was also a man with black hair and beard with a blonde pony tail tied with a pink ribbon, he had long finger nails painted a bright dark blue. (drag queen)

Now I'm not saying this man should not be there because church is where you're supposed to hear the word of God. But a lot of full gospel as well as evangelical people bought into Satans lie, that we are all Gods children and God don't judge what they do. IF YOU READ THE BIBLE AT ALL, YOU KNOW THAT THIS IS A BALD FACE LIE.

In three different incidents, I have been in services where people were so high that they could hardly walk, they were welcomed. Next week they came back and answered alter call with tears of repentance and several years later, they were still serving God. The difference between then and now, is that the consequences of sin, was Hell and repentance was Heaven.

Rev 21:6 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

I go home and listen to different programs that I recorded, I'm blessed by the words and music of Faith To Live By.

I then am blessed by the preaching of Church of the Rock, the testimonies of Tribal Trails. And then more edifying through Jack Hibbs and then the prophetic connection with
